MR. PRESIDENT:

Your Committee on License and Revenue

to whom was referred The Petition of Mrs. Margaret Harman for the revocation of Peter Grubb's Liquor License in the St Elmo Lodging House on Main Street between Railroad Avenue and Commercial Street beg leave to report as follows:

We have examined closely into the merits of the case and find that Mrs. Harman is the owner of the ground and building in question; that the premises were nearly destroyed by fire last May; that the building was repaired against her wishes and in direct violation of the City Ordinances; Also, that there is no lease whatever on the premises now in effect. That Peter Grubb is selling intoxicating liquors and has been since the middle of June last without her consent.

From a personal interview, Mrs. Harman has stated positively to your Committee that she will not give her Consent to liquor being sold on the premises above described; and your Committee recommends that the license of Peter Grubb be revoked.
